## 1. Location

St George's Park is a Large Victorian suburban park located on the eastern edge of the inner city in Bristol

## 2. Site Address

Chalks Rd, Bristol, City of Bristol BS5 7AA

Google Maps: [St George Park - Google Maps](#)

## 3. Site Description

Two large event areas. Public Park with grass and connecting pathways, very sloped sections down to flatter event site. Good drainage, good compaction.

### 3.1 The event space

For a larger online version of this site, please follow this link [Bristol Outdoor Events Areas 2025 \(App\)](#)

## 4. Ground conditions

Ground protection - dependent on event

## 5. Event Area

6.4 Hectares

## 6. Accessibility

**Event organisers are responsible for making their events as accessible as possible.**

St George Park is accessible for wheelchairs.

## 7. Access & Parking

### 7.1 Vehicle Access

From top of site.

Through car park.

### 7.2 Parking

Limited parking around St George's Park

Chalks Road car park

### 7.3 Pedestrian Access

There are multiple pedestrian access points that can be found here [Bristol Outdoor Events Areas 2025 \(App\)](#)

### 7.4 Traffic Management

A traffic management plan will need to be agreed with Bristol City Council and in consultation with the Safety Advisory Group

## 8. Transport links

- 1.0 mile to Lawrence Hill train station.
- 2.5 miles to Bristol Temple meads

To find more transport options and timings, follow this link [Homepage - travelWEST](#)

## 9. Site Facilities

- dog-free playground
- lake with ducks and swans
- large wheels park for BMX, skateboards and scooters

### 9.1 Permanent Infrastructure

- Play park
- Skate park
- Seats/ benches
- Litter bins
- Trees
- Cycle parking rack
- Café kiosk with outdoor seating area- Find out about [the Bake Box cafe](#) at St George Park.

- Tennis courts

## 9.2 Power

There is no power onsite. Organisers will be expected to provide their own.

**Event organisers should prioritise means of power higher in the [power hierarchy](#).**

## 9.3 Water

There is no water supply onsite. Organisers will be expected to provide their own.

For more information on water supply and sandpipes, look at the general event guidance document.

## 9.4 Toilets

There are toilets onsite however these are not available for events, so events would have to arrange temporary toilets (Essential when capacity is over 50).

To calculate additional infrastructure facilities required for your event please refer to [The Purple Guide](#) for guidance on minimum provision.

## 10. Waste management

- Event organisers should prioritise methods higher in the [waste hierarchy](#)
- The waste management plan must include the surrounding area and key ingress and egress routes
- The event organisers are responsible for doing a little pick after the event and also disposing of all of this waste.
- The fixed parks waste bins onsite are not for event-use and should not be factored into the waste management plan.

## 11. Restrictions on the site

- Ground protection - dependent on event
- Play park.
- Skate park.

## 12. Nature Conservation

### Nature Conservation Designations

No designations for the site.

### Notable Habitats

The Events area includes open grassland, most of which is cut regularly, although some areas around the edges may be left to grow longer for nature. There is a large artificial lake with a wooded island. There is a belt of woodland and scrub which runs along the southern border, and scrub patches and trees scattered throughout the site.

No activities should be permitted which cause damage to these habitats. Measures will need to be taken to avoid impacts to the wider site as a result of increased footfall or use of vehicles and machinery.

## Notable Species

General potential for nesting birds across the site. The lake supports various wildfowl and wetland birds. Several species of bat have been recorded using the site, and there is a high likelihood of bat roosts being present in trees and structures within the site. Potential for badger setts to be present within areas of denser scrub and woodland.

Measures must be taken to ensure there are no direct impacts to these species such as via damage to habitats, or indirect impacts such as via disturbance from artificial lighting, noise and vibration, litter and pollution impacts.

## 13. Water considerations

### Fishing

Under the [park byelaws](#) you can't fish in St George Park lake. You can fish in and next to all other parks and green spaces, with a line or net.

## 14. Hazards

- Limited parking availability

## 15. Consultation and stakeholder engagement

Out of courtesy, it is recommended that event organisers contact local businesses and residents to discuss their event and the impact it may have.

For larger events, it is recommended that organisers contact all surrounding businesses to inform them about the event as well as any local residents as stipulated by the city council's Noise Pollution Team.

- **Email:** [info@friendsofstgeorgepark.org.uk](mailto:info@friendsofstgeorgepark.org.uk)

## 16. Fees and charge

### 16.1 Hire Fee

A site fee and application fee are required for the use of Bristol Council land. Please ensure you are fully aware of all relevant costs on submission of your application.

### 16.2 Site Bonds

A site bond may be held in consideration for damages with the amount calculated depending on the size of the event.

Land reinstatement may also be required within a week post-event (weather dependent) and a contractor is to be agreed prior to the event.
