Event safety

The event safety guide aims to help everyone who organises events to ensure that they run safely. The guide will enable event organisers to understand the needs of others concerned with the event, such as local authorities and the emergency services, so that they can all work together to improve event safety.

Useful information

Guidance for any temporary demountable structures (eg stages) and where Construction (Design and Management) regulations apply and what has to be considered can be found here:
http://www.legislation.gov.uk/uksi/2015/51/contents/made

For guidance on Food Safety or Hygiene Regulations, you can contact our commercial team via email:commercial@cambridge.gov.uk Additional information can be found here: https://www.cambridge.gov.uk/food-safety
