

Red Lion Square Filming Guidelines

Red Lion Square has experienced a high volume of technical vehicle parking which has made it necessary to establish rules. Red Lion Square residents are keen to ensure that any parking for nearby filming remains within strict guidelines so as not to disturb more than absolutely necessary the peace and harmony in the Square for residents and businesses.

Residential Area

Large Scale productions (more than 5 crew) will need to inform local residents and businesses in this area at least three weeks before your shoot day.
