

Placement information for Alumni

Congratulations on completing your training!

Below you can find some more information about placements with productions and what to expect

There is **no guarantee** that you will be contacted by the production and secure a placement - it depends on the number of productions in your area and their availability. You can also look for opportunities and take work yourself.

Set Ready Team will post opportunities on **WhatsApp** and **Facebook** - **please respond with your name, CV and your availability** - we will then pass on your CVs to the production who will then contact you. CVs will be passed onto productions on a first come first serve basis.

Once you are booked, make sure you know how to get to the location on time. It's important that you complete production start forms before the placement and you know how you are going to be paid. On the day - it is **your responsibility** to turn up on time. Please report to the contact we have provided. **Let us and your contact know if you are running late or unable to attend.**

Any questions or queries please contact us:
