T&Cs

- Curfew – no pull in/ out between 11pm and 7am
- There's a basketball court positioned in the middle of the area which access must be maintained for. **No vehicles can drive directly on the court.**
- Crew cars/ small techs must park beyond the basketball court and larger techs/ facility vehicles need to be parked before it.
- Vehicles must drive through the pillars only and **not drive over the grass/ outside of the pillars.**
- There are bollards that will need lowering, refer to next page for guidance.
- A site visit before your pull in is encouraged, if you'd like an FO to attend please let us know; FO time costs will apply.
- Rates - £1750-£2000+VAT per day, £300+VAT admin and £1000 returnable damage deposit. Staffing costs will likely apply, speak to FO.

Bollard Info:

- Push in 180 degrees clockwise then without pushing down 180 anticlockwise then turn the handle 180 to drop the bollard.
- Specific silicone wd40 for when the keyhole/mechanism is stiff/rusted.
- Also recommend an implement/knife to scrape any gravel/debris caught in the grate. A cloth or sponge may be useful when the grate is flooded.
