

# Alexandra & Ainsworth Estate: Filming Guidelines

**The Alexandra and Ainsworth Estate is a popular filming location in Camden and as such it is necessary to establish rules. Residents are keen to ensure that shooting/filming remains within strict guidelines so as not to disturb more than absolutely necessary.**

## RESIDENTIAL AREA

Small (up to 5 crew) and medium (5-15 crew) productions will need to give a minimum of 10 working days notice whilst large and very large productions need at least three weeks notice.

All details regarding the nature and content of the filming, crew size, hours and required location/s will be sent to the A&A Estate's Tenants & Residents Association (TRA) and Estate Officer for approval.

Scenes of crime or of a violent nature must be discussed in advance and may be declined.

Productions may be asked to distribute a filming proposal letter, approved by the Camden Film Office, to all residents of the estate.

## HOURS – ACCESS FOR FILMING

Permitted hours are 8am to 9pm with no access before or after these times. No prep or strike can occur outside of these hours.

## FILMING LOCATIONS

Filming on stairwells between floors and outside flats on the 1st floor and high is not permitted.

When filming in the garages film makers must not block garage entrances and must implement trained traffic management operatives to divert any vehicles rather than holding them.

## PARKING – TECHNICAL VEHICLES

Parking is not permitted on the ramp into the estate any time.

The Film Office and TRA may agree to one or two small vehicles temporarily parking on the estate to drop off equipment.

## SUSPENSIONS

Parking suspensions can be considered on surrounding roads.

## PERMITTED EQUIPMENT

There must be no large or heavy equipment or vehicles on the central (red brick) walkway.

Any music playback must be in ear or no louder than a laptop.

All cabling needs to run along the rails, be covered and must never be a potential trip hazard.

## DEPOSIT

A deposit may be taken prior to filming – returnable only if the film crew abides by all guidelines.
