

Primrose Hill: Filming Guidelines

Primrose Hill has experienced a high volume of location filming/shooting which has made it necessary to establish rules. Primrose Hill residents are keen to ensure that shooting/filming remains within strict guidelines so as not to disturb more than absolutely necessary the peace and harmony of residents and businesses.

RESIDENTIAL AREA

Large scale productions (more than 5 crew) will need at least three weeks before the shoot day. Resident meeting may be required for large shoots.

There is no filming permitted on Chalcot Crescent or on the west, north and east sides of Chalcot Square.

Please contact: Camden Film Office

Productions should distribute a filming proposal letter, approved by the Camden Film Office, to local residents.
