Additional Information
The fees listed above are exclusive of VAT
Admin fees are calculated per hour of administrative time. The figures quoted are therefore a minimum charge and may be multiplied accordingly for time intensive applications. Admin fees apply to any application including parking and traffic control.
For all applications, payment must be made before filming is due to start, payment can be made by card online, or by BACS.
You must have PLI with a minimum cover of £5m for crews of up to 5, £10m for crews above 6 or for Drone filming.
If your filming involves stunts, weapons, fire, smoke or any police presence, you may require a longer lead time than advertised above. Please contact Suffolk Police for a CAD number.
Location fees listed are for Council locations. Private location fees may vary or have a minimum daily rate.
